she is a natural killer she has a strange disguise and she is cold as vanilla she has that look in her eyes

she, she hasn't any feelings and she got nothing on her mind she is a natural killer she is the thorn in your side

she is a natural killer she has a strange disguise she as sweet as vanilla she has that look in her eyes

and she, she hasn't any feeling and she got nothing on her mind she is a natural killer she is the thorn in your side

she, she hasn't any feeling she got nothing on her mind she is a natural killer she is the thorn in your side

thorn in your side thorn in your side thorn in your side
