

No Tomorrow

Suede

How long will it take to mend?
How long will it take? It depends
How long will I blow my money on
Parade and paperbacks?

Another moment to make me wonder,
Another sentence to help me through.

Fight the sorrow,
Fight the sorrow,
Fight the sorrow
Like there's no tomorrow.

Fight the sorrow,
Fight the sorrow,
Fight the sorrow.
Come there's no tomorrow.

How long will I shun the race
And sit around in my denim shirts?
A cadaver in tracksuit trousers
Connect me to missing persons.

How long will it take to break
The plans that I never make.
Too long have I sat outside and smoked.
I know all the neighbours cars.

Another moment to make me wonder,
Another sentence to help me through.

Fight the sorrow,
Fight the sorrow,
Fight the sorrow
Like there's no tomorrow.

Fight the sorrow,
Fight the sorrow,
Fight the sorrow,
Come there's no tomorrow

Another moment to make me wonder,
Another sentence to help me through.

Fight the sorrow,
Fight the sorrow,
Fight the sorrow,
Like there's no tomorrow.

Fight the sorrow,
Fight the sorrow,
Fight the sorrow,
Come there's no tomorrow (8x)
