

# Provoking the Disturbed

## Suffocation

Scarred souls, remain raw  
Unveiling my world as blood soaked

Mankind, Expired paralyzed  
Broken by the doctrines imposed  
civilized breed  
A myth portrayed  
to pacify and enslave

Starve the basic needs  
Of born kings  
classified as insane.  
lies are thy mask of the cowards  
faceless beings.

Fear  
Unveils your weak feeble beliefs  
you dare diagnose those  
who obey no laws  
As disturbed and unstable  
Though the strength of the lunatics  
will survive  
Thee apocalyptic wars.

Truth. We're all insane  
my hands are tied, restrained  
Truth, define your truth  
reality reigns in pain  
PROVOKING THE DISTURBED!

Desensitized behavior, ensures  
I despise equally  
release is my, savior  
from confined masochistic beliefs

Civilized breed  
a myth portrayed  
to pacify and enslave  
Starve the basic needs of born kings  
classified as insane.

Lies truth be untold  
Impressions of lawless society.  
Clash of the evident curse.  
Demise of those who are out spoken.  
Chaotic reign of the insane.  
Lies truth be untold  
Impressions of lawless society.

Scarred souls, remain raw  
Unveiling my world as blood soaked
