

Adlai Stevenson

Sufjan Stevens

Righteous men of the earth
Oh, have you been patient
I suppose our thoughts about United Nations

Adlai, Adlai
What did he say
And what is the answer?

1952, the heart was not your master
The accident you threw
Would carry through your laughter

Evidence, evidence
I've heard of it
And what is the answer?

Adlai, Adlai
Your holiday
The greatest of men, sir

Adlai, Adlai
What did he say
And what is the answer?
