

## Auld Lang Syne

Sufjan Stevens

Should old acquaintance be forgot  
And never brought to mind?  
Should old acquaintance be forgot  
And days of auld lang syne?

For auld lang syne, my dear  
For auld lang syne  
We'll take a cup of kindness yet  
For auld lang syne

For auld lang syne, my dear  
For auld lang syne  
We'll take a cup of kindness yet  
For auld lang syne
