## **Auld Lang Syne**

## **Sufjan Stevens**

Should old acquaintance be forgot And never brought to mind? Should old acquaintance be forgot And days of auld lang syne?

For auld lang syne, my dear
For auld lang syne
We'll take a cup of kindness yet
For auld lang syne

For auld lang syne, my dear
For auld lang syne
We'll take a cup of kindness yet
For auld lang syne
