

## Bad Communication

Sufjan Stevens

I'll talk but I know you won't listen to me  
Oh you wouldn't say it but you wanted to  
Don't look, don't walk away while I am speaking  
I'll take it, but I know it's not for taking

The oneness someone of which you notice me  
I told you, do not follow what you couldn't see  
Oh, I love you, I love you  
Some way, you will want it your way, sunrise  
So I would not be mistaken what I know is right  
Don't be so funny with me, I'm not laughing  
Oh, I love you, I love you
