

# I Walked

Sufjan Stevens

Lover, will you look at me now?  
I'm already dead to you  
But I'm inclined to explain  
To you what I could not before  
Whatever you didn't do, what you couldn't say  
I am sorry that the worst has arrived  
For I deserve more  
For at least I deserve the respect of a kiss goodbye  
Tell me, do you think of me now  
As I think of you?  
For I could not have shaken  
The touch of your breath on my arm  
For it has stayed in me as an epithet  
I am sorry the worst has arrived  
For I'm on the floor  
In the room where we made it our last touch of the night  
I walked, cause you walked  
But I won't probably get very far  
Sensation to what you said  
But I'm not about to expect something more  
I would not have run off  
But I couldn't bear that it's me  
It's my fault, I should not be so lost  
But I've got nothing left to love  
Lover, will you look from me now  
I'm already dead but I've come to explain  
Why I left such a mess on the floor  
For when you went away  
I went crazy, I was wild with the breast of a dog  
I ran through the night  
With the knife in my chest  
With the lust of your loveless life  
I walked, cause you walked  
But I won't probably get very far  
Sensation to what you said  
But I'm not about to expect something more  
I would not have run off  
But I couldn't bear that it's me  
It's my fault, I should not be so lost  
But I've got nothing left to love  
I walked 'cause you walked
