

# Joy! Joy! Joy!

Sufjan Stevens

I would like to throw a field  
Yes, I would like to be a man  
I would serve the Kingdom's will  
Yes, I would enter to the end

Blessed is the man who waits  
And blessed is the man who starts

Hey, (name?)  
Yes, Sufjan?  
So, what do you believe in?  
Oh, a lot of things  
Oh yeah, like what?  
Well, peace and justice for all

In the middle when you came  
Will the animals invite?  
Every syllable the same  
Every letter every line

I believe in peace  
Believe in peace  
Believe in peace  
Believe in peace

I believe in peace  
Believe in peace  
Believe in peace  
Believe in peace

I believe in joy  
Believe in joy  
Believe in joy  
Believe in joy [x A Lot]

(After the first two repetitions)  
I, I, I, am, am, am, joy, joy, joy, and, and, and  
I, I, I, am, am, am, joy, joy, joy
