

# Sister Winter

Sufjan Stevens

Oh my friends I've  
Begun to worry right  
Where I should be grateful  
I should be satisfied

Oh my heart I  
Would clap and dance in place  
With my friends I have so  
Much pleasure to embrace

But my heart is  
Returned to sister winter  
But my heart is  
As cold as ice

Oh my thoughts I  
Return to summer time  
When I kissed your ankle  
I kissed you through the night

All my gifts I gave everything to you  
Your strange imagination  
You threw it all away

Now my heart is  
Returned to sister winter  
Now my heart is  
As cold as ice

All my friends, I've  
Returned to sister winter  
All my friends, I  
Apologise, apologise

All my friends, I've  
Returned to sister winter  
All my friends, I  
Apologise, apologise

All my friends, I've  
Returned to sister winter  
All my friends, I  
Apologise, apologise

La la la la la...

And my friends, I've  
Returned to wish you all the best  
And my friends, I've  
Returned to wish you all the best  
And my friends, I've  
Returned to wish you all the best  
And my friends, I've  
Returned to wish you a Happy Christmas

To wish you a Happy Christmas  
To wish you a Happy Christmas

To wish you a Happy Christmas
