

That ideal has already broken.  
Having already understood from the previous life.

Therefore, do you... stay indoors?  
Do because that is easier?... disappointing...  
A key to success that is best not damaged... relations... who.

This world satisfactorily:  
About you who is the "Unplugged Superstar".  
But you are a person with narrow views.  
What feelings are you just now?

By when do you stay indoors?  
Do because that is better-looking? It is? if dying...  
A key to success that is best not damaged... relations... who.

This world has forgotten fear.  
And it doesn't understand where to go.  
Do not you feel this world hateful?  
After all it is only parasitic.
