

# Back When

Sugababes

You telling me  
That I don't look the same as I used to  
Could it be  
At times the only blame for our issues  
I wanna know  
Can't go no longer being neglected  
Knowing that your heart has changed

Reminiscing on the times  
Looking at the photos  
Oh we were so happy then  
Taking walks out in the park  
Enjoying the sun  
And I was you're only one  
And we were like the closest friends

Back when  
We used to talk about everything  
Now it seems you're not listening  
Winter nights are colder than usual  
And Summer time is just not the same  
What happened to the love back when

You promised me  
We'd plant the seed to love and let it grow  
Now it seems  
That you don't even water it no more  
'Cos it seems  
The leaves have hit the ground and faded  
Now the trees don't look the same

Reminiscing on the times  
Looking at the photos  
Oh we were so happy then  
Taking walks out in the park  
Enjoying the sun  
And I was you're only one  
And we were like the closest friends

Back when  
We used to talk about everything  
Now it seems you're not listening  
Winter nights are colder than usual  
And Summer time is just not the same  
What happened to the love back when

We used to talk about everything  
Now it seems you're not listening  
Winter nights are colder than usual  
And Summer time is just not the same  
What happened to the love back when

You told me that you love me  
And now it seems to me we're two strangers  
That's falling apart, and I know  
Nothing in life is guarenteed  
So if you wanna move along then move alone

Back when  
We used to talk about everything  
Now it seems you're not listening  
Winter nights are colder than usual  
And Summer time is just not the same  
What happened to the love back when

We used to talk about everything  
Now it seems you're not listening  
Winter nights are colder than usual  
And Summer time is just not the same  
What happened to the love back when
