

# Denial

Sugababes

Somewhere in the back of my mind  
Secretly I know you will find  
Me amongst the blushing and glow  
Deep beyond the things I don't show

Mystery's a beautiful thing  
What a gift a woman can bring  
Never let it out just like that  
Let him slowly figure it out

How can a flower bloom  
Just over a day?  
And at night  
You gotta let the water drain in

I didn't wanna fall in love with you  
I didn't wanna know the things I knew  
It wasn't till I looked into the mirror  
Denial

You were like a power of nature  
Telepathic beautiful creature  
Understanding all of my weakness  
Patient, loving, knowing you'd reach it

Cynical and hurt was just me  
You were never supposed to be  
Part of what I would call amazing  
Took so long to finally see

How can a flower bloom  
Just over a day?  
And at night  
You gotta let the water drain in

I didn't wanna fall in love with you  
I didn't wanna know the things I knew  
It wasn't till I looked into the mirror  
Denial

I didn't wanna fall in love with you  
I didn't wanna know the things I knew  
It wasn't till I looked into the mirror  
Denial

I see the way the wind blows  
Like open minds for us  
No complicated barriers  
To hold us back

I didn't wanna fall in love with you  
I didn't wanna know the things I knew  
It wasn't till I looked into the mirror  
Denial

I didn't wanna fall in love with you  
I didn't wanna know the things I knew

It wasn't till I looked into the mirror  
Denial

I didn't wanna fall in love with you  
I didn't wanna know the things I knew  
It wasn't till I looked into the mirror  
Denial
