

Hanging on a Star

Sugababes

Tell me baby, baby
Tell me baby
Tell me what you want
Tell me what you want
You know you drive me crazy
Drive me crazy
I've been waiting all day long
Waiting all day long

I've got a little crush
Your body's such a rush
So won't you hurry up
Cause I want to get right up and own you
It's getting hot and now
Why don't you cool me down
Then I can show you how
To make a little babe on your own girl

Hanging on a star
I was waiting round to fall in love
And now I know I'm ready
Cause, no matter where you are
It was you that I was thinking of
And now that star has fallen
For you

Listen to me baby
Listen baby
You're always on my mind
Always on my mind
I know you wanna kiss me
Wanna kiss me
You're running out of time
Running out of time

I don't know what you've heard
Maybe a little bird
Gave you the wrong idea
You're not gonna get my number
But they don't have a clue
How much I feel for you
So what you wanna do
Cause I'm not gonna wait much longer

Hanging on a star
I was waiting round to fall in love
And now I know I'm ready
Cause, no matter where you are
It was you that I was thinking of
And now that star has fallen
For you
Hanging on a star
I was waiting round to fall in love
And now I know I'm ready
Cause, no matter where you are
It was you that I was thinking of
And now that star has fallen

For you

Ive been dreaming all day and all night
Hoping that I will one day have you
I dont care if its wrong or right
Will my fantasy ever come true
Cause im hanging
Hanging
Hanging
Hanging
Cause im hanging
Hanging
Im hanging
Hanging

Hanging on a star
I was waiting round to fall in love
And now I know im ready
Cause, no matter where you are
It was you that I was thinking of
And now that star has fallen
For you
Hanging on a star
I was waiting round to fall in love
And now I know im ready
Cause, no matter where you are
It was you that I was thinking of
And now that star has fallen
For you
