

# It Ain't Easy

Sugababes

I get so used to being alone  
My choice this time I'm in a zone  
Not in a place where you can't control me

Not saying i don't wan't to take a chance  
Coz its all open to romance  
I know it's crazy but I must say

It ain't easy being me  
It ain't easy don't you know  
Coz I'm not the type to let  
someone take over me  
It ain't easy  
(no)  
It ain't easy  
(that's for sure)  
It ain't easy  
(Oh oh oh ohhh)  
It ain't easy  
(no)  
It ain't easy  
(ohhh ohhh)  
It ain't easy  
(oh oh oh ohhh)

Wanna have you back down on your knees  
Can't give you too much coz I know  
Gets to the point where I can't control you

It's like a rush straight to my brain  
Feels like I'm driving you insane  
In every way coz I can't be contained

It ain't easy being me  
It ain't easy don't you know  
Coz I'm not the type to let  
someone take over me  
It ain't easy  
(no)  
It ain't easy  
(that's for sure)  
It ain't easy  
(Oh oh oh ohhh)  
It ain't easy  
(no)  
It ain't easy  
(ohhh ohhh)  
It ain't easy  
(oh oh oh ohhh) (2x)

Constantly reminded of the place I used to be  
Gave up so much energy but now its all about me

Oh oh oh ohhh  
Oh oh oh ohhh  
It ain't easy  
It ain't easy

It ain't easy  
Oh oh oh ohhh  
It ain't easy  
It ain't easy  
It ain't easy  
Oh oh oh ohhh  
(It ain't easy being me)  
It ain't easy  
It ain't easy  
(It ain't easy being me)  
It ain't easy  
Oh oh oh ohhh  
(It ain't easy being me)  
It ain't easy  
It ain't easy  
It ain't easy  
Oh oh oh ohhh  
It ain't easy  
It ain't easy  
It ain't easy  
Oh oh oh ohhh  
It ain't easy  
It ain't easy  
It ain't easy
