

## Switch

Sugababes

He's nothing special  
Don't need his dough  
Settling down what is that a joke  
You're feeling his best friend  
Your ex bores you  
'Cos he started to ignore you

He starts his speech  
Tell him not to preach  
Always talking out of his ass  
What's the point of that  
He's not on your level  
Like the new man  
The fly man  
The man who really understands

Remember a good way  
To get out of an old thing  
Is to jump into a new thing and

Switch  
If you don't deliver  
You just ditch  
Grab another lover  
Scratch your itch  
From dusk 'til dawning  
Until that new guy has you yawning  
Switch  
If he don't please you  
You just ditch  
Find someone to tease you  
Makes you itch  
Freaks you 'til the morning  
Until this new guy has you yawning

Same old thing the TV  
The video, he's got to know  
Conversations growing old  
You've heard those jokes  
They're cold  
Could he think that the kiss on the text  
Means a pizza  
Then action attraction  
He's got it all wrong

Remember a good way  
To get out of an old thing  
Is to jump into a new thing and

Switch  
If you don't deliver  
You just ditch  
Grab another lover  
Scratch your itch  
From dusk 'til dawning  
Until that new guy has you yawning  
Switch

If he don't please you  
You just ditch  
Find someone to tease you  
Makes you itch  
Freaks you 'til the morning  
Until this new guy has you yawning

Hanging around on borrowed time  
One strike out  
You ain't mine  
So just get your style in check  
I move one ex to the next  
Everything he does beats you  
So I'm jumping another queue  
Please just get your style in check  
I move one ex to the next
