

Too Lost In You

Sugababes

You look into my eyes
I go out of my mind
I can't see anything
'coz this love got me blind
I can't help myself
I can't break the spell
I can't even try

I'm in over my head
you got under my skin
I got no strenght at all
in the state that i'm in
and my knees are weak
and my mouth can't speak
fell too far this time

R: Baby i'm too lost in you
caught in you
lost in everything about you
so deep i can't sleep, i can't think
I just think about the things that you do
I'm too lost in you

Well you whisper to me
and i shiver inside
you undo me and move in ways undefined
and you're all i see
and you're all i need
help me baby, help me now

'Coz i'm slippin' away
like the sand to the tide
flowing into your arms, falling into your eyes
If you get too near I might disappear
I might lose my mind

R:

I'm going crazy with love for you baby
I can't eat and I can't sleep
I'm going down like a stone in the sea
no-one can rescue me

R:

You look into my eyes, i go out of my mind
I'm too lost in you, i'm too lost in you
