## You on a Good Day

Sugababes

You on a good day You messed up from your chromosomes to your enzymes Remember the time when you took my ride

I had to get it from the impound my favorite revision and later when I asked you bout it you just said yeah

But then at least you didn't crash if you had some cash left fr om selling my rims on the car parked behind the bar

And baby that's you on a good day And baby that's you on a good day Disaster is always just a beat away But baby I'm sticking with you anyway

You messed up like when I went to Tokyo for promotion and got b ack had a bill for two G's

From when you fell asleep calling me overseas asking bout my go al for the cash machine and you just said yeah But you tried to keep the house key but then your new party fri ends went and called for some stripper and then I just said (fi ne)

And baby that's you on a good day And baby that's you on a good day Disaster is always just a beat away But baby I'm sticking with you anyway

And baby that's you on a good day And baby that's you on a good day Disaster is always just a beat away But baby I'm sticking with you anyway Keisha: I want it, I hate it, I need it I want it, want it, want it I hate it, I want it, I need it (2x)

But you tried to keep the house key but then your new party fri ends went and called for some stripper And then I just said (you're gonna make it up to me you know yo u are)

And baby that's you on a good day And baby that's you on a good day Disaster is always just a beat away But baby I'm sticking with you anyway

And baby that's you on a good day

And baby that's you on a good day Disaster is always just a beat away But baby I'm sticking with you anyway
