

Days Like That

Sugar Jones

Do you remember when days were like that? (Do you..)
Now that I think about it, there are some things I regret...

Do you remember when days were like that?
I was loving you, in return, you loved back
And now you're telling me that you miss that
Bet you feel lonely, but you lost me (Bet you feel lonely)

Now that you think about it
How do you feel about it? (How do you feel about it?)
You've had some time to live with
The mistake that you made
Not try'na say I'm perfect
Push comes to shove, I'm worth it
There were things you had to deal with
But it's alright, 'cause we're still tight

I can't believe you're back again
After all you put me through
Even though I'm still your friend
I don't wanna be with you

Remember when days were like that?
I was loving you, in return, you loved back
And now you're telling me that you miss that
Bet you feel lonely, but it's like that
Do you remember when days were like that?
I was loving you, in return, you loved back
And now you're telling me that you miss that
Bet you feel lonely, but you lost me

Now that I think about it
There are some things I regret
I shoulda' never just let
You walk away and not explain
But I'm not bitter 'bout it
I had to get over it
It made me stronger within
There's a lesson here, hope you learn from it

I can't believe you're back again
After all you put me through
Even though I'm still your friend
I don't wanna be with you

Remember when days were like that?
I was loving you, in return, you loved back
And now you're telling me that you miss that
Bet you feel lonely, but it's like that
Do you remember when days were like that?
I was loving you, in return, you loved back
And now you're telling me that you miss that
Bet you feel lonely, but you lost me

Do you remember when days were like that
I was loving you, you loved back
And now you're missing me

But I bet you feel lonely
I bet you feel lonely

We can be friends but not lovers (Ooh)
Gotta be one or the other (Ahh..)
We can be friends but not lovers (You know...)
Gotta be one or the other (Ahh...Ooh)
Mmmmm

Remember when days were like that?
I was loving you, in return, you loved back
And now you're telling me that you miss that
Bet you feel lonely, but it's like that
Do you remember when days were like that?
I was loving you, in return, you loved back
And now you're telling me that you miss that
Bet you feel lonely, but you lost me

(I can't believe you're back again
After all you put me through
Even though I'm still your friend
I don't wanna be with you)

Remember when days were like that?
I was loving you, in return, you loved back
And now you're telling me that you miss that
Bet you feel lonely, but it's like that
Do you remember when days were like that?
I was loving you, in return, you loved back
And now you're telling me that you miss that
Bet you feel lonely
