

# Aim for Me

Sugar Ray

Aim For Me  
Aim For Me  
Aim For Me  
Aim For Me  
hit it!  
It's a great big world  
And you don't believe in nothin  
Don't believe in nothin anyway  
(background vocals) ahhhhhhh  
So we got a lot to learn  
But we started out with nothin  
With my friends we're going on our way  
ahhhhhhhh  
Some people changin'  
Your life will rearrange  
Even when your so far from home  
When it's said and done  
And you got yourself a run  
That's okay we'll never come undone  
Aim For Me  
Aim For Me  
Aim For Me who who..  
Aim For Me yeah!  
They'll try to count you out  
But you gotta count yourself in  
There's no time to throw it all away

ahhhhhhhh  
Now I'm tellin' I'm rushing  
See the trouble that we've been in  
Didn't ask for nothing along the way

ahhhhhhhh  
When it's said and done  
and you got yourself a run  
That's okay we'll never come undone  
Some people changin'  
Your life will rearrange  
Even when your so far from home  
Aim For Me  
Aim For Me  
Aim For Me  
Aim For Me  
ouhhhhhhhhhhh

Yeah, come on mojo, eye eye, hit me, uhh,  
ouhhhhhhhhhhhhwows  
Some people changin'  
Your life will rearrange  
Even when your so far from home  
When it's said and done  
And you got yourself a run  
That's okay we'll never come undone  
Aim For Me (5x)  
Some people change  
Your life will rearrange  
Even when your so far from home
