

# Waiting

Sugar Ray

Waiting for the night, you stood  
Waiting for the night to change your ways

There are days missing from my week again  
And there's not a cloud in the sky  
But my view from the Hollywood Roosevelt  
Makes me feel like I can fly

I should maybe make some apologies  
And I probably should fix my hair  
But I might just stay another night  
If my credit card's still down there

Oh yeah, all right  
I feel like a hundred million dollars tonight

I knew you were the one  
But I kept you waiting  
Kept you waiting  
Anticipating  
Now I'm waiting for you

I think I'll go see my friends tonight  
Who live just a little bit up Crescent heights  
And sometimes we stay out all night  
Feels like there's nothing that we can't do

I'm never really sure that I'll ever change  
But if it makes you happy then I will lie  
She looked at me and softly said  
I'm gonna love you till the day I die

Oh yeah, all right  
I feel like a hundred million dollars tonight

I knew you were the one  
But I kept you waiting  
Kept you waiting  
Anticipating  
Now I'm waiting for you

I miss the things you told me  
I'll be waiting for you  
I just wish you would hold me  
I'll be waiting for you  
If you decide to change your mind  
I'll be waiting for you

I miss the things you told me  
I'll be waiting for you  
I'll be waiting there for you  
Waiting there for you  
Waiting there for you  
I keep waiting, anticipating you
