

# When It's Over

Sugar Ray

When it's over  
That's the time I fall in love again  
And when it's over  
That's the time you're in my heart again  
And when you go go go go  
I know  
And it never ends  
It never ends

R: All the things that I used to say  
All the words that got in the way  
All the things that I used to know  
Have gone out the window  
All the things that she used to bring  
All the songs she used to sing  
All the favorite TV shows  
Have gone out the window

I'm missing you  
I never knew how much she'd loved me  
I'm missing you  
I never knew how much you meant to me  
I need you and when you go go go go  
I know  
It never ends  
Never ends

R:

I'm wishing you  
You never said you were pretending  
I'm wishing you  
You feel the same and just come back to me  
I need you and when you go go go go  
I know  
It never ends  
It never ends  
When it's over  
Can I still come over  
And when it's over  
Is it really over  
When it's over  
That's the time I fall in love again

R: (2x)
