

# Can't Help You Anymore

Sugar

Now, I can't help you anymore  
You can't hurt me anymore  
I don't care how bad I feel  
I'm still holding on the wheel

I've felt like this before  
I've been sleeping on the floor  
You say you've had enough  
Well, don't try to wake me up

Now, I can't help you anymore  
You can't hurt me anymore

Now, I can't help you anymore  
You can't hurt me anymore  
I don't care if you're upset  
'Cause, I'm trying to forget

I feel like walking out  
I don't want to talk it out  
And you say your life's a mess  
But I need to get some rest

I've had enough of feeling slighted  
I've had enough to last a lifetime  
I've had enough, and I've decided

I can't help you anymore  
You can't hurt me anymore

Now, I can't help you anymore  
And you can't hurt me anymore

Now, I can't help you anymore  
And you can't hurt me anymore

I can't help you anymore  
You can't hurt me anymore  
I can't help you anymore  
You can't hurt me anymore

I can't help you  
You can't hurt me  
I can't help you  
You can't hurt me

I can't help you  
You can't hurt me  
I can't help you  
You can't hurt me

I can't help you  
You can't hurt me  
I can't help you  
You can't hurt me
