

## Going Home

Sugar

Going home where to go  
Where the whole thing started  
And you know going back won't be fun forever

As you go  
Hasn't been forever  
Going home  
Leaving home forever

Face the door start to crawl  
Like you were a baby  
Going home to a home you left  
And vowed you'd never be

Going home  
This was for someone else  
Time to go  
You can't stay here any more

Find some things from the past  
That you thought were missing  
Pack them up as you go back  
To the life you're leading now

Going home  
I can't stay forever  
Got to go  
Back to where I came from

I don't know where to go  
With so few possessions  
They stay home as I go back  
To where I came from
