

# If I Can't Change Your Mind

Sugar

Tears fill up my eyes  
I'm washed away with sorrow  
And somewhere in my mind  
I know there's no tomorrow

Oh, I see you're leaving soon  
I guess you've had your fill  
But if I can't change your mind  
Then no one will

And all throughout the years  
I never strayed from you, my dear  
But you suspect I'm somewhere else  
You're feeling sorry for yourself

Leaving with a broken heart  
I love you even still  
But if I can't change your mind  
Then no one will  
If I can't change your mind

Even though my heart keeps breaking  
Don't you know that I'll be waiting here for you  
Then when you return  
When will you return

I hope you see I'm dedicated  
Look how long that I have waited  
If you come back then you will find  
A different person if you change your mind

How can I explain away  
Something that I haven't done?  
And if you can't trust me now  
You'll never trust in anyone

With all the crazy doubts you've got  
I love you even still  
But if I can't change your mind  
Then no one will  
If I can't change your mind

Someday you'll see I've been true  
I'll stay that way until  
But if I can't change your mind  
Then no one will  
If I can't change your mind

If I can't change your mind  
If I can't change your mind
