

Your Favorite Thing

Sugar

Tell me, I'm your favorite thing
You can tell me anything
I wouldn't mind

Dream about you every night
Something tells me, that's not right
I wouldn't mind, I wouldn't mind
Not at all

Stuck inside my head again
Hoping that this never ends
I wouldn't mind

It's my existence you ignore
And I can't take you anymore
I wouldn't mind, I wouldn't mind

The wait is killing me
And I keep waiting, waiting patiently
What do I need to do?
I'll do anything you want me to
I'll sit on a bookcase in your room
Alone with all your other favorite things

Now that I'm your favorite thing
Let's see, what the future brings
I wouldn't mind

And I can't tell you, what's been happening
I don't know, I don't know
I wouldn't mind, I wouldn't mind
Not at all
Not at all

Tell me, I'm your favorite thing
Let's see, what the future brings
Stuck inside my head again
Hoping that this never ends

Now that I'm your favorite thing
Let's see, what the future brings
I don't know, I don't know
