A Hard Day's Night

It's been a hard day's night And I've been working like a dog It's been a hard day's night I should be sleeping like a log

But when I get home to you I find the things that you do Will make me feel all right

You know I work all day To get you money to buy you things And it's worth it just to hear you say You're gonna give me everything

So why I love to come home Cause when I get you alone You know I feel okay

When I'm home Everything seems to be all right When I'm home Feeling you holding me tight, tight, yeah

It's been a hard day's night And I've been working like a dog It's been a hard day's night I should be sleeping like a log

But when I get home to you I find the things that you do Will make me feel all right

So why I love to come home Cause when I get you alone You know I feel okay

When I'm home Everything seems to be all right When I'm home Feeling you holding me tight, tight, yeah

It's been a hard day's night And I've been working like a dog It's been a hard day's night I should be sleeping like a log

But when I get home to you I find the things that you do Will make me feel all right You know I feel all right Feel all right
