

# Explode

Sugarcult

Somebody save me  
I need a Jesus  
Somebody save me  
I know, I know, I know, I know, I know, I know, I know

It's gonna explode  
It's gonna explode  
It's gonna explode  
Every time I turn it up I think I'm gonna pop

Somebody save me  
I'm lying in pieces  
Somebody take me  
Hello, hello, hello, hello, hello, hello, hello

The radio is here to stay  
Turn it off and walk away  
The radio is here to stay  
Turn it off  
Turn it off

10, 9, 8, 7, 6, 5, 4, 3

The radio is here to stay  
Turn it off and walk away  
The radio is here to stay  
Turn it off  
Turn it off  
Turn it off  
Turn it off
