She kisses everyone goodbye
And waves her middle finger high
They're never gonna mess with her again
The drama queen is seventeen
And sleeping with boys for free
She's got a reputation of being easy

Everytime they put her down, she makes a fist and the tears roll down She packs her bags and plans to run away

```
She's saying goodbye and leaving tonight
She's wasted all her lonely tear drops
She's saying goodbye and leaving tonight
She's used up all her lonely tear drops now
```

She thinks about herself and cares about nobody else because the only friends she has all put her down They hate her when she's beautiful and even more when she's a fool They talk behind her back when it's her birthday

Everytime they put her down, she makes a fist and the tears roll down She packs her bags and plans to run away And everytime she makes a friend, the vicous cycle starts again She's never, ever, ever looking back

```
She's saying goodbye and leaving tonight
She's wasted all her lonely tear drops
She's saying goodbye and leaving tonight
She's used up all her lonely tear drops now
```

She's saying goodbye
She's wasted all her loney tear drops
Saying goodbye
She's used up all her lonely tear drops now

Everytime they put her down, she makes a fist and the tears roll down She packs her bags and plans to run away from here And everytime she makes a friend, the vicous cycle starts again She's never, ever, ever looking back

```
She's saying goodbye and leaving tonight
She's wasted all her lonely tear drops
She's saying goodbye and leaving tonight
She's used up all her lonely tear drops now
```

She's wasted all her lonely tear drops now
