

# Coming Home

Sugarland

Well hello, it's been a long time  
And I wanna know  
What's been going down  
Since I been gone

And are you alright?  
Are you okay?  
Me, I'm alright

But is there anyway that you could  
Make space, say grace  
Set my place at the table?  
And tell 'em I'm coming home  
Tell 'em I'm coming home

Yes, I know, I know she loves me  
And she wore it so  
And I know just what she'll say  
Each time I call

She'll say, "Are you alright?  
How's your work?  
Are you alright?  
How's my baby girl?"

And I'll say, "I'm feeling strong  
But it's been too long"  
So I wrote this song to say I miss you  
And tell you I'm coming home  
Momma, I'm coming home

Angels on high at the top of a tree  
Stars in the sky shine away, I can see  
Oh Momma, please leave a light on for me

I'm coming home  
(I'm coming home)  
Tell 'em I'm coming home  
(I'm coming home)  
Tell 'em I'm coming home  
(I'm coming home, I'm coming home)

I'm going home, I'm going home, I'm going home  
(I'm going home)  
Momma, won't you leave a light on for me?

I'm coming home, leave a light on for me  
(I'm coming home)  
And I'm coming home  
(I'm coming home, I'm coming home)  
Tell 'em I'm coming home
