## **Stuck Like Glue**

Sugarland

Absolutely no one who knows me better No one that can make me feel so good How did we stay so long together? Everybody, everybody said we never would

And just when I Start to think they're right The love has died

There you go making my heart beat again Heart beat again, heart beat again There you go making me feel like a kid Won't you do it, do it one time?

There you go pulling me right back in Right back in, right back in And I know I'm never letting this go I'm stuck on you

Whoa-oh, whoa-oh, stuck like glue You and me baby, we're stuck like glue Whoa-oh, whoa-oh, stuck like glue You and me baby, we're stuck like glue

Some days I don't feel like trying Some days you know I wanna just give up

When it doesn't matter who's right Fight about it all night Had enough, you give me that look I'm sorry baby let's make up

You do that thing that makes me laugh And just like that

There you go making my heart beat again Heart beat again, heart beat again There you go making me feel like a kid Won't you do it, do it one time?

There you go pulling me right back in Right back in, right back in And I know I'm never letting this go I'm stuck on you

Whoa-oh, whoa-oh, stuck like glue You and me baby, we're stuck like glue Whoa-oh, whoa-oh, stuck like glue You and me baby, we're stuck like glue
