

# Want To

Sugarland

I packed a cooler and a change of clothes  
Let's jump in, see how far it goes  
You got my heart in your daddy's boat  
We've got all night to make it float

We could sit on the shore  
We could just be friends  
Or we could jump in

The whole world could change in a minute  
Just one kiss could stop it spinning  
We could think it through  
But I don't want to, if you don't want to

We could keep things just the same  
Leave here the way we came  
with nothing to lose  
But I don't want to, if you don't want to

I got your ring around my neck  
and a couple of nights I don't regret  
You've got a dream of a degree and a shirt that smells like me

Yeah we both got dreams  
we could chase alone  
or we could make our own

The whole world could change in a minute  
Just one kiss could stop it spinning  
We could think it through  
But I don't want to if you don't want to  
We could keep things just the same  
Leave here the way we came  
with nothing to lose  
But I don't want to if you don't want to

Never waste another day wonderin' what you threw away  
Holding me, holding you  
I don't want to, if you don't want to

We could keep things just the same  
Leave here the way we came with nothing to lose  
But I don't want to, if you don't want to

But I want to  
But I want you
