

What I'd Give

Sugarland

What I'd give to bring you flowers.
What I'd give to get you alone.
What I'd give to bring a smile across your face.
What I'd give to take you home.
What I'd give to make you coffee.
Find out how you like your eggs.
Wrapped around you in the mornin',
A tangled lace of arms and legs.

What I'd give to let you love me.
Find out everything that brings you joy.
Wake up to your face above me.
I'd be that girl and you could be that boy.
Find out why that feelin' is...
Oh, what I'd give. What I'd give.

What I'd give to take you dancin'.
What I'd give to make you mine.
If you got questions, I got answers.
And my answer's "yes" to you every time.
What I'd give for just one minute.
What I'd give to count all the ways.
If your heart was dark with nothing in it,
I'd give you mine and take your place.

What I'd give to let you love me.
Find out everything that brings you joy.
Wake up to your face above me.
I'd be that girl and you could be that boy.
Find out why that feelin' is...
Oh, what I'd give. What I'd give.
Ooh, what I'd give.
