

Hate It When You Go

Sugarplum Fairy

Don't you see you got no real reason to be here?
Still you're standing still
Movements from your lips form I'm leaving
Will you wait? I will

I'm tired since last night and I tried to do things right
Now it's time to start drinking
'cause my head is shrinking

And I hate it when you go
Oh, I don't know why I always seems to
Hate it when you go
Oh, when I know
that it's time to let it go

The days we spent in bed in the beginning
We swore we'd never stop
Moments that we had lost their meaning
Now it's who's first to get up

And I've tried since last night
but nothing turned out right
Now it's time to start drinking
'Cause my head's shrinking

I never thought I'd say that it's alright
But this feeling of remorse is all I've got
I never thought I'd say that it's alright

When I was a poor boy
my father said to me
that if you want to live in life you've got to live it free
But as time went by before my eyes
the sound of soundness washed away
And until I reminisced today I was blinded by the rage

I never thought I'd say that it's alright
But this feeling of remorse is all I've got
I never thought I'd say that it's alright

Looking in the looking glass
I'm seeing through your soul
And everytime I hesitate I'm feeling kind of cold
And as time goes by I slowly sigh so please make up your mind
You breathe so very heavily as you slowly stepping down

I never thought I'd say that it's alright
But this feeling of remorse is all I've got
I never thought I'd say that it's alright
