

In Berlin

Sugarplum Fairy

I'm with you in Berlin
Hide inside a dark hotel
Outside is anarchy and hell
Lost souls rebel

In Berlin
I rather die then stay with you
There is nothing left for me to do
Here's my adieu

So can you hear me when I walk away?
You did not hear me when I tried to stay
I am with you in Berlin

I'm with you in Berlin
I walk along a burning street
But I cannot feel the heat
Down fall concrete

In Berlin
The martyr's got a hold of you
The orphans dying eyes are blue
Nothing spells true

So can you hear me when I walk away?
You did not hear me when I tried to stay
I am with you in Berlin

Alone is how I stand in the end
In Berlin
