Sugarplum Fairy

I I try to figure out The fallen eye-tear a raindrop struck my mind It looks so good its messed so fine Smile I fall and close my eyes Its pure subtle vibes hostility provide It looked so good its messed so fine I am so tired I haven't slept for months Just to see your face tear my soul and so Go shout and jive for me and I will be your Rock n roll tragedy Go shout and jive for me and you will see There's nothing for us to see rock n roll tragedy I I caught you there last night I made up the sight a fantasy reply I look so good its messed so fine I am so tired I haven't slept for months Just to see your face tear my soul and so Go shout and jive for me and I will be your Rock n roll tragedy Go shout and jive for me and you will see There's nothing for us to see rock n roll tragedy
