Suicidal Tendencies

My mind kept a freakin

My mind kept a freakin
My mind kept a freakin, all night long

Hey Charlie Monroe, I want you to know, you are my hero
I was so blind till you gave me a sign, you opened my mind

Following the voices I hear, from Charlie Monroe

My life is bad break after bad break
My life was mistake after mistake
But then you, you taught me how to let go
Thank you, Charlie Monroe, a modern hero

I've hit another wall, a long and painful fall
Why won't you take my call? Charlie Monroe

Times shouldn't be this tough, life shouldn't be this ruff
Why won't you bail me out? Charlie Monroe, ex hero

The time has come, the time has come, the time has come
Oh, silly me, I forgot you don't speak backwards
Well let's say that you're in for a big surprise

Wake up Charlie Monroe, how quick times can go
You reap what you sow, goodnight Charlie Monroe
You're the worst kind of dope, a sad pathetic joke
Give me the lynching rope, where's the tree and the rope?
Awake for your wake, your wake, you sick pathetic fake, sick fa
