

Children of the Bored

Suicidal Tendencies

Let me see who's bored,
let'em know you're bored, let'em know you're bored
All aboard the bored, all aboard the bored, yea
We know you're bored, yea we know you're bored

Children of the bored, children of the bored
Children of the bored, children of the

The slogan on the TV says just do it -
we say just screw it
You say you're living happy ever after -
pardon my laughter
I've heard it all before that sound of silence -
here comes the violence
Failure to you and your expectations -
economic incarceration

Children of the bored, children of the bored
Children of the bored, children of the

It's plain to see that you can't see my reason -
can you see my reason?
It's plain to see that you've sold out to their treason -
sold out to their treason
You got the answers to the questions that don't matter -
questions that don't matter
Now try to explain my pain when my brain splatters -
splatters, splatters, splatters

Just admit you're bored
Bored, bored, bored
Let'em know you're bored
Let'em know we're bored
Let'em know we're bored
Bored, bored, bored
We know why you're bored
We know why you're bored
Children of the
