## Suicidal Tendencies

I don't give a shit  
I don't give a fuck  
I don't give a shit  
We don't give a fuck

Your opinion don't mean shit to me  
And your shit is about to fall  
Your rationale isn't rational  
Like bungie jumping off a 6 foot wall  
I don't give a shit

Your right and wrong to me is all wrong  
And you'll pay if you do me wrong  
Politically correct means tag along stupid  
And I don't ever tag along  
We don't give a fuck

What I am is who I am and I'm proud of who I am  
C'est la vie cause to me comes naturally  
I don't give a shit

I ain't afraid of the present  
I ain't ashamed of my past  
And my future's locked in real tight  
I don't give a shit

The guns aren't loaded and the fists aren't clenched  
But I've taken up a brand new fight  
I don't give a fuck

Hip ain't hip and cool ain't cool  
But a fool is definitely a fool  
New ain't new it is just new to you  
But the truth is sad that's true

I don't give a shit  
I don't give a fuck  
We don't give a fuck, no!
