

## Get Sick

### Suicidal Tendencies

I hurt myself so I can heal myself  
I wanna get sick  
I hate myself so I can love myself  
I wanna get sick

I, I wanna release, I wanna get ill,  
I wanna get sick  
I, I wanna go off, I wanna get ill  
I wanna get sick

I feel my best when I am at worst  
I wanna get sick  
I fight myself to make peace with myself  
I wanna get sick

I, I wanna go off, I wanna get ill  
I wanna get sick  
Sick sick sick bbb get sick, ya get sick

I confuse myself to understand myself  
I wanna get sick  
I punish myself to replenish myself  
I wanna get sick

I, I wanna release, I wanna get ill,  
I wanna get sick  
I, I wanna go off, I wanna get ill  
I wanna get sick  
Get sick get sick get sick
