

# I Shot the Devil

## Suicidal Tendencies

I shot Reagan, I shot Sadat  
I'm gonna shot you dead in heaven you'll rot  
You're gonna rot in heave, hear an angel's voice  
You're too bad for hell, although it's you first choice

Rot in heave, you're too bad for hell  
Rot in heaven, cause you're fogiven in hell

I shot Lennon, I shot the Pope  
I shot the devil, now you ain't got no hope  
You're gonna rot in heaven, hear an angel's voice  
You're too bad for hell although it's your first choice
