

Memories of Tomorrow

Suicidal Tendencies

B-1 bombers in flight
Trident missiles in the air
MX missiles underground
Protect us till we're dead

Memories of tomorrow - too late for sorrow

Push the button
Kiss good-bye the nuclear arsenal
A-bombs flying off their ramps
Nuclear bombs explode

Radio active people
Search for medicine
Pray for shelter
Kill for food

Mass starvation
Contaminated water
Destroyed cities
Mutilated bodies

I'll kill myself
I'd rather die
If you could see in the future
You'd know why
