

# Nobody Hears

## Suicidal Tendencies

I talk through my eyes, the words pouring down  
Nobody hears  
You ask me what's wrong, but what can I say  
Nobody hears

I try to tell you, I try to show you  
How else can I tell you, how else can I show you?

I'm screaming inside, why can't you hear?  
Nobody hears  
You're looking right through me like I'm not here  
Nobody hears

When the last tear falls down  
Nothing gets washed away  
Another plea put to rest  
As nobody hears, nobody hears

So what did I do to you  
That makes you run from me  
Now I'm sitting here screaming inside myself  
Don't understand why nobody hears

You figured it, you shaped it to your perfection  
Nobody hears  
Subtracted my feelings from this equation  
Nobody hears

Is it all in my mind  
Then it would be easy to find

So what did I do to you  
That makes you run from me  
Now I'm sitting here screaming inside myself  
Don't understand why nobody hears

So if it's all, if it's all in my mind  
Then wouldn't it, wouldn't it  
Wouldn't it be so easy to find

So what do I have to do  
To make you comfort me  
Now I'm sitting here screaming inside myself  
Don't understand why nobody hears

So I'm sitting here screaming inside myself  
Well I'm sitting here crying inside myself  
So I'm sitting here screaming to nobody else  
Don't understand why nobody hears  
And nobody hears, nobody hears, nobody hears
