

# Self Destruct

## Suicidal Tendencies

Sometimes I wish my head would just explode

Self, self, self, I wanna  
Self, self, self, I gotta  
Self, self, self, I'm gonna self destruct  
Self, self, self, I wanna  
Self, self, self, I gotta  
Self, self, self, I'm gonna self destruct

I can't fight this urge to self destruct  
I can't seem to stop this urge to self destruct  
Self destruct, self destruct  
Self destruct, self destruct

I got the urge to self destruct  
Fighting the urge to self destruct  
I got the urge to self destruct  
Can't stop the urge to self destruct

Self, self, self, I wanna  
Self, self, self, I gotta  
Self, self, self, I'm gonna self destruct

I can't fight this urge to self destruct  
I can't seem to stop this urge to self destruct  
Self destruct, self destruct  
Self destruct, self destruct

I got the urge to self destruct  
Can't fight the urge to self destruct  
I got the urge to self destruct  
Can't stop the urge to self destruct

Where is the sunshine of my mind?  
There is no sunshine in my mind!  
How can I be everything to everyone?  
Where is the sunshine of my mind?  
When I don't want to be anything to anymore!  
There is no sunshine in my mind!

I just wanna make my pounding in my head freakin' stop!

Self, self, self, self destruct  
Self, self, self, self destruct  
Self, self, self, I wanna self destruct

I can't fight this urge to self destruct  
I can't seem to stop this urge to self destruct  
Self destruct, self destruct  
Self destruct, self destruct

I got the urge to self destruct  
Can't fight the urge to self destruct  
I got the urge to self destruct  
Can't stop the urge to self destruct
