

Start Your Brain

Suicidal Tendencies

Start your brain, I'm thinking man!
Start your brain, start your brain,
Start your brain, rev it up and ride
Start your brain, you got to start your brain
Start your brain, rev it up and go
Learn the things that you don't wanna know
Do the things that you don't wanna do
It will tell a lot about you

Start your brain, rev it up and ride
Start your brain, rev it up and ride
Start your brain, rev it up and ride
Start your brain, rev it up and ride

Start your brain, rev it up and ride
It's been way too long since you have tried
Take your attitude and give it a rest
And anything you do give it your best

Start your brain, rev it up and go
There's so many things that you don't know
Don't waste your time trying to impress
And spend that time cleaning up that mess
Start your brain, rev it up and ride
Start your brain, rev it up and ride
Start your brain, rev it up and ride
Start your brain, rev it up and ride

Start your brain, you got to start your brain
Start your brain, rev it up and ride
Figure out who are deep inside
Take your attitude and give it a rest
And anything you do give it your best so
Start your brain, rev it up and ride
Figure out who are deep inside
Don't waste your time trying to impress
And spend that time cleaning up that mess
Start your brain, start your brain
Start your brain and ride
