

# The Struggle Is Real

## Suicidal Tendencies

Shattered minds, shattered dreams  
It's never ever what it seems  
Staged random for more questions than clues  
Carefully camouflaged just to confuse

How does it feel?  
Hey, no!  
Oh, no!  
Why no?  
Cause the struggle's real

Actions shout, lunatic  
Same results still doesn't click  
Heart is racing, brains like mush  
Still searching for another rush

Hey, no!  
Oh, no!  
Why no?  
How does it feel?  
And I say: „Hey, no! Oh, no! Why no?“  
When the struggle's real!

And I say: „Hey, no! Oh, no! Why no?“  
How does it feel?  
And we say: „Hey, no! Oh, no! Why no?“  
This struggle is real!  
The struggle is real!

Pedal to the metal, got no brakes  
Close my eyes, raise the stakes  
Seeing things I shouldn't see  
Wishing this was an anomaly

Hey, no!  
Oh, no!  
Why no?  
How does it feel?  
And I say: „Hey, no! Oh, no! Why no?“  
Cause the struggle is real!

Actions speak, war by words  
Trampled by the sonic hurds  
Questioning how I feel?  
Don't waste your time, this struggle's real!

Hey, no!  
Oh, no!  
Why no?  
How does it feel?  
And I say: „Hey, no! Oh, no! Why no?“  
When the struggle's real!  
And I say: „Hey, no! Oh, no! Why no?“  
How does it feel?  
And we say: „Hey, no! Oh, no! Why no?“  
The struggle is real!  
The struggle is real!
