

Won't Fall in Love Today

Suicidal Tendencies

Baby don't you be blue
You know that I'll always be true
You know that I'll always love you
And we'll always be together too

Over a thousand things I can say to you
Half of which would be un-true
But the one thing for sure I can say
Is that I won't fall in love today

Baby when you hold me tight
You know everything will be alright
So let's not take any time to fight
Because you know I love you with all my might

Over a thousand things I can say to you
Half of which would be un-true
But the one thing for sure I can say
Is that I won't fall in love today

Baby you make me feel like a man
When we're rolling in the sand
So come and take me by the hand
And do the things you know we can

Over a thousand things I can say to you
Half of which would be un-true
But the one thing for sure I can say
Is that I won't fall in love today
