

# You Can't Bring Me Down

## Suicidal Tendencies

What the hell's going on around here?

First off-let's take it from the start  
Straight out-can't change what's in my heart  
No one-can tear my beliefs apart, you can't bring me

You ain't-never seen no one like me  
Prevail-regardless what the cost might be  
Power-flows inside of me, you can't bring me

Never-fall as long as I try  
Refuse-to be a part of your lie  
Even-if it means I die, you can't bring me

You...can't...bring...me...down!

Who the hell you calling crazy? You wouldn't know what crazy was  
If Charles Manson was eating fruit loops on your front porch....

Time out-let's get something clear  
I speak-more truth than you want to hear  
Scapegoat-to cover up your fear, you can't bring me

You ain't-never seen so much might  
Fight for-what I know is right  
What up-you got yourself a fight, you can't bring me

Stand up-we'll all sing along  
Together-ain't nothin' as strong  
Won't quit-we ain't in the wrong, you can't bring me

You...can't...bring...me...down!

Bring me down-you can't bring me down!  
Bring me down-you can't bring me down, no!  
Bring me down-you can't bring me down!  
Bring me down-you can't bring me down, you can't bring me down!

Tell them what's up Rocky!

You...can't...bring...me...down!

Bring me down-you can't bring me down!  
Bring me down-you can't bring me down, no!  
Bring me down-you can't bring me down!  
Bring me down-you can't bring me down, you can't bring me down!

So why you trying to bring me?  
Well you can't bring me down...No, no, no, no  
Can't bring me down....No, no, no, no, no, no  
Can't bring me down....No, no, no, no, no, no  
Can't bring me down....No, no, no, no, no, no  
So why you trying to bring?  
Well you can't bring me down

Just cause you don't understand what's going on don't mean it don't make no sense

And just cause you don't like it, don't mean it ain't no good  
And let me tell you something;

Before you go taking a walk in my world  
You better take a look at the real world  
Cause this ain't no Mister Roger's Neighborhood

Can you say "feel like shit"?  
Yea maybe sometimes I do feel like shit  
I ain't happy 'bout it, but I'd rather feel like shit than be full of shit!

And if I offended you, oh I'm sorry...  
But maybe you need to be offended  
But here's my apology and one more thing...fuck you!

Cos you...can't...bring...me...down!

Bring me down-you can't bring me down!  
Bring me down-you can't bring me down, no!  
Bring me down-you can't bring me down!  
Bring me down-you can't bring me down!  
Bring me down-you can't bring me down, no!  
Bring me down-you can't bring me down, no!  
Bring me down-you can't bring me down, you can't bring me down!

Can't bring me down!  
Can't bring me down!  
Can't bring me down!

Suicidal!
