## Suicide Commando

Killing time  
Killing gain  
Watching our own distortion

Free minds  
Free hands  
Full of hate  
Hand insertion

Killing God  
Killing me  
Killing, killing  
Kill for free

Genocide  
Suicide  
What's the use of our existing

Deliver us from evil  
Deliver us from pain  
Deliver us from evil  
And forgive us all our sins
