

# God Is In The Rain

## Suicide Commando

God's written  
Words of lies  
God has given  
(Us a) world of lies  
(The) blind, crippled, and diseased  
Death is coming over me

God is real  
Believe me  
God is real  
Release me  
God is real  
Abuse me  
God watches over me

If god is in the rain  
Please let it rain on me  
If god is in the rain  
Please let him down on me  
(x2)

God's written  
Book of lies  
God has given  
A world that dies  
(The) poor, lepers, half deceased  
Death is coming over me

God is real  
Believe me  
God is real  
Release me  
God is real  
Relief me  
God watches over

If god is in the rain  
Please let it rain on me  
If god is in the rain  
Please let him down on me
